

# BURMA 901 V2

Lightweight Jungle/Tropical Boot

Borrowing key performance characteristics from two of the most prolific warfighting boots in recent US military history, Belleville has created the new Burma 901 V2 Jungle Boot. The new Jungle warfare boot retains the best features of the Vietnam-era Jungle boot but combines the state-of-the-art direct injection construction of the legendary Belleville 390 DES. Additionally, there are several new performance features such as improved drainage, reduced water pick up, and increased traction and grip in wet, muddy environments.

**HEIGHT:** 8" (Standard Military Height)  
**UPPER:** 100% cattlehide leather & nylon fabric  
**MIDSOLE:** Highly cushioned, shock absorbent midsole  
**OUTSOLE:** 100% rubber VIBRAM® Panama II outsole
