

C755-B

Extreme Cold Weather Waterproof & Insulated Boot

Built on the same platform as the Belleville C775 insulated boot, the C755-B Extreme Cold Weather Boot contains 400g of composite insulation with an additional 800g of insulation strategically placed around the toes for added protection. The C755-B also has increased foam insulation underfoot, offering extreme cold weather protection without all the bulk.

HEIGHT:	8" (Standard Military Height)
