

MAXX T6ZWP

Ultralight Waterproof Maximalist Boot

Designed with a unique performance MAXX™ midsole that features higher volume, softer density, and greater rebounding foam than standard tactical boots, the MAXX Series of boots allow for the foot to sink deeply into the midsole for greater support, stability, uniformity of stride and overall comfort.

HEIGHT:	6" (Above-the-Ankle)
UPPER:	100% textile
MIDSOLE:	Lightweight and highly resilient SLE foam compound
OUTSOLE:	100% rubber Exclusive VIBRAM® TerraLock
